

Shaharia Shawon

Final-Year Student | Urban & Regional Planning (GIS-focused)

Khulna University of Engineering & Technology (KUET)

shahariyar1502@gmail.com | Portfolio | +880 1518-737714 | LinkedIn

Career Objective

GIS-focused Urban and Regional Planning student with strong analytical and spatial data skills, seeking to apply GIS and remote sensing knowledge in real-world planning projects.

Education

Bachelor of Urban and Regional Planning (BURP)

Mar 2022– Present

Department of Urban and Regional Planning

Khulna University of Engineering & Technology, Khulna

CGPA: 3.11 (out of 4.00) | Expected Graduation: August 2026

Higher Secondary Certificate (HSC)

June 2018– 2020

Hamdard Public College

GPA: 5.00/5.00

Secondary School Certificate (SSC)

Jan 2016–Feb 2018

Protapgonj High School, Lakshmipur

GPA: 4.78/5.00

Technical skills

GIS & Spatial Tools	ArcGIS, Google Earth Engine	Design	MS PowerPoint, Canva
Data & Analysis	SPSS, MS Excel	Documentation	MS Word
Mapping & Survey	Google My Maps, Google Forms	Drafting	AutoCAD

Undergraduate Thesis

Jan 2026 – Present *Delineation of Ecological Protection Redlines in Khulna using GIS & Remote Sensing. Tools:* ArcGIS, Remote Sensing, Spatial Modeling. [Details ↗](#)

Certifications

ArcGIS Online Basics – Esri Academy (Jul 2026)

ArcGIS Pro Basics – Esri Academy (May 2026)

Introduction to MS Excel – Microsoft × Simplilearn SkillUp (May 2026). [View Certifications ↗](#)

Experience

Internship | Geo Smart Planning

- Conducted data collection and validation for Healthy City profiling.
- Performed digitization and georeferencing of 7 mouza maps using GIS.
- Managed spatial databases and GIS data processing workflows.

(ArcGIS, GIS Digitization, Georeferencing.)

Transportation Survey Assistant | Orbix Consultancy Pvt. Ltd.

- Conducted vehicle counting and VTS-based traffic data collection.
- Recorded and validated field transportation survey data.
- Supported traffic analysis and transportation planning studies.

Q&A Doubt Solver | Udvash Academic & Admission Care

- Solved conceptual problems in Physics, Chemistry, and Higher Mathematics.
- Guided students in analytical reasoning and admission preparation.
- Delivered efficient academic support within the Q&A department.

Climate-Resilient Digital Health Kiosks, Community Water Systems & Institutional Capacity-Building

Project Planning Studio (URP 4262), KUET

- Developed a DPP for climate-resilient healthcare and community water systems.
- Conducted needs assessment, feasibility, cost, and LFA analyses.
- Prepared implementation, financing, and monitoring plans.

(Project Planning, LFA, Cost Estimation, GIS, Microsoft Excel.)

A Participatory Rural Appraisal (PRA) of Atra Village, Phultala, Khulna

Participatory Planning Studio (URP 4272), KUET

- Conducted community-based rural assessment using Participatory Rural Appraisal (PRA) tools and field surveys.
- Analyzed socio-economic conditions, local resources, service accessibility, and development challenges through participatory mapping and spatial analysis.
- Developed community-driven planning recommendations for sustainable rural development.

(PRA Techniques, GIS Mapping, Field Survey, Community Engagement, Spatial Analysis.)

Spatial-Temporal Variation of PM_{2.5} Influencing Factors in Dhaka Division

Regional Planning Studio (URP 4124), KUET

- Analyzed PM_{2.5} spatial-temporal trends using satellite data and GIS-based regression models including GWR, GTWR, and Random Forest.
- Assessed environmental and socioeconomic influencing factors using ArcGIS and remote sensing techniques.

(ArcGIS, Remote Sensing, GTWR, Random Forest)

Nature-Based Solutions for Environmental Problems in Khulna City Corporation

Environmental Planning and Management Studio (URP 4142), KUET

- Conducted environmental assessment of KCC wards and proposed sustainable nature-based planning solutions with economic feasibility analysis.

(GIS Mapping, Environmental Planning, Cost-Benefit Analysis)

Comparative Analysis of Traffic Performance and Roadway Cross-Section in Khulna

Transportation Planning Studio (URP 3232), KUET

- Conducted traffic surveys and roadway assessments to evaluate transportation infrastructure, traffic flow, and congestion patterns in Khulna.

(Traffic Survey, PCU Analysis, Field Survey)

Assessment of Rural Development Indicators in Barakpur Union, Khulna

Rural Planning Studio (URP 3222), KUET

- Assessed rural development conditions through field surveys, GIS mapping, and statistical analysis of socioeconomic, infrastructural, and disaster management indicators.

(GIS Mapping, Statistical Analysis, Questionnaire Survey)

Leadership & Service

Hall Committee Member | Amar Ekushey Hall, (KUET)

Jan 2026 – Present Assisted in student coordination, event management, and residential administrative operations.

Awards & Scholarships

	Technical and Compensatory Scholarship
	Khulna University of Engineering & Technology (KUET)
Jan 2016–Dec 2017	Junior Scholarship (JSC)
	Protapgonj High School
