Career Objective

Urban and Regional Planning graduate with practical experience in field surveys, community assessment, GIS mapping, spatial analysis, and planning projects. Looking to build my career in urban planning by contributing to field-based planning activities, public participation, data analysis, and project reporting.

Education

Bachelor of Urban and Regional Planning (BURP) Mar 2022–Aug 2026
Department of Urban and Regional Planning
Khulna University of Engineering & Technology, Khulna. CGPA: 3.15/4.00

Higher Secondary Certificate (HSC) June 2018– 2020
Hamdard Public College, Dhaka. GPA: 5.00/5.00

Secondary School Certificate (SSC) Jan 2016–Feb 2018
Protapgonj High School, Lakshmipur. GPA: 4.78/5.00

Technical skills

GIS & Spatial Tools	ArcGIS, Google Earth Engine	**Design**	MS PowerPoint, Canva
Data & Analysis	SPSS, MS Excel	**Documentation**	MS Word
Mapping & Survey	Google My Maps, Google Forms	**Drafting**	AutoCAD

Undergraduate Thesis

Jan 2026 – Aug 2026 *Delineation of Ecological Protection Redlines in Khulna using GIS and Remote Sensing Based Ecological Importance and Sensitivity Analysis.*
Tools: ArcGIS, Google Earth Engine, Remote Sensing, Spatial Modeling. Details ↗

Experience

Junior Urban Planner | *Development Design Consultants Ltd. (DDC)* Sep 2026 – Oct 2026
Project: Improving Urban Governance and Infrastructure Project (IUGIP)

- Supported Master Plan preparation activities across 9 wards of Mirkadim Pourashava.
- Facilitated citizen understanding of the Master Plan through public engagement and awareness activities.
- Collected 201 signed citizen complaints and written reports to document public concerns, feedback, and planning-related issues.
- Assisted in gathering community input to support participatory planning and informed Master Plan development.

(ArcGIS, Field Logbook Documentation, Citizen Engagement, Participatory Planning)

Internship | *Geo Smart Planning* Feb 2026 – Mar 2026

- Conducted data collection and validation for Healthy City profiling.
- Performed digitization and georeferencing of 7 mouza maps using GIS.
- Managed spatial databases and GIS data processing workflows.

(ArcGIS, GIS Digitization, Georeferencing.)

Transportation Survey Assistant | *Orbix Consultancy Pvt. Ltd.* Apr 2026 – Apr 2026

- Conducted vehicle counting and VTS-based traffic data collection.
- Recorded and validated field transportation survey data.
- Supported traffic analysis and transportation planning studies.

Q&A Doubt Solver | *Udvash Academic & Admission Care* July 2023 – June 2024

- Solved conceptual problems in Physics, Chemistry, and Higher Mathematics.
- Guided students in analytical reasoning and admission preparation.
- Delivered efficient academic support within the Q&A department.

Certifications

Power BI for Beginners – Simplilearn SkillUp (May 2026).
Getting Started with Spatial Analysis – Esri Academy (Aug 2026)
ArcGIS Online Basics – Esri Academy (July 2026)
ArcGIS Pro Basics – Esri Academy (May 2026)
Introduction to MS Excel – Simplilearn SkillUp (May 2026). View Certifications ↗

Projects & Studio Works

View All ↗

A Participatory Rural Appraisal (PRA) of Atra Village, Phultala, Khulna
Participatory Planning Studio (URP 4272), KUET

- Conducted community-based rural assessment using Participatory Rural Appraisal (PRA) tools and field surveys.
- Analyzed socio-economic conditions, local resources, service accessibility, and development challenges through participatory mapping and spatial analysis.
- Developed community-driven planning recommendations for sustainable rural development.

(PRA Techniques, GIS Mapping, Field Survey, Community Engagement, Spatial Analysis.)

Climate-Resilient Digital Health Kiosks, Community Water Systems & Institutional Capacity-Building
Project Planning Studio (URP 4262), KUET

- Developed a DPP for climate-resilient healthcare and community water systems.
- Conducted needs assessment, feasibility, cost, and LFA analyses.
- Prepared implementation, financing, and monitoring plans.

(Project Planning, LFA, Cost Estimation, GIS, Microsoft Excel.)

Spatial-Temporal Variation of $PM_{2.5}$ Influencing Factors in Dhaka Division
Regional Planning Studio (URP 4124), KUET

• Analyzed $PM_{2.5}$ spatial-temporal trends using satellite data and GIS-based regression models including GWR, GTWR, and Random Forest.
• Assessed environmental and socioeconomic influencing factors using ArcGIS and remote sensing techniques.

(ArcGIS, Remote Sensing, GTWR, Random Forest)

Comparative Analysis of Traffic Performance and Roadway Cross-Section in Khulna
Transportation Planning Studio (URP 3232), KUET

• Conducted traffic surveys and roadway assessments to evaluate transportation infrastructure, traffic flow, and congestion patterns in Khulna.

(Traffic Survey, PCU Analysis, Field Survey)

Leadership & Service

Hall Committee Member | Amar Ekushey Hall, (KUET)
Jan 2026 – Aug 2026 Assisted in student coordination, event management, and residential administrative operations.

Awards & Scholarships

Technical and Compensatory Scholarship
Khulna University of Engineering & Technology (KUET)
Jan 2016–Dec 2017 **Junior Scholarship (JSC)**
Protapgonj High School
